Dec 21, 2019 Yesterday I tried to upgrade my 2016 edition to the 2019 edition. This was not possible. Now, the random AI prevents me from playing Millennium Dawn. I've done a clean installation, but it still doesn't work. I've tried different AI's, but it is always the same, always random . Dec 29, 2019 I have a save file with a lot of decisions mixed together I think that I need to separate them in a.ini file. But my character isn't in the save file anymore, all the policies are gone . Jan 13, 2020 I've been playing Millennium Dawn off and on for a couple of years, and I want to play it again. The game is essentially the same as it was when I first bought it, except that the AI is changed. The AI now has some very strange decisions, and I have no idea how I can reproduce them. Is there a way to cheat the AI in HOI4, or to get some previous version of the game that doesn't have these problems? . Mar 29, 2020 I'm trying to load a new save, but the game won't let me. It always tells me there is no save file. I know I made one, because I can load save files that were in another game. I think I deleted that save file accidentally. How do I get my old save file back? Or can I just create a new save file? It's on a new computer that I haven't even played the game on yet . Mar 29, 2020 I'm still having a problem with my save file. I just bought the 2019 edition. It works fine, except that the AI is completely random. I've tried different AI's, but they are all the same, all random. I've already asked on the forums, but they said there are no known solutions. There are some ideas for how to fix it in comments in the forum, but I didn't understand any of them. If you can help me, I'd really appreciate it . May 28, 2020 I have an issue where my game shows the "In debt" box with two big red boxes on it. Any ideas how to fix that? May 28, 2020 I've installed the mod and I can't get my game to launch. I'm downloading a steam version . Jun 7, 2020 I have a game save file that I believe is
